Date: February 28, 2017

Re: 22nd Annual Troy Flooring Center Baseball Classic

Time Limit: There will be a 2 ½ hour time limit on all games on Saturday. We may have to put a time limit on other games if weather becomes an issue and we attempt to get multiple games in at one site.

Home Team: Home team will be determined by a coin toss.
Please attempt to get with your opponent ahead of time so the home team can be prepared to take infield as soon as possible. If you are hosting the game you should take infield first.

Results: If you are the host school, please text me the final score to the following people at the conclusion of each game. Jason Smith, Andrew Elmendorf, Chris Gray (all numbers are listed below)

Tie-Breaker Procedure: If there is a tie for placement after pool play is completed, we will use the following criteria:

1. Head to Head
- If more than two teams are tied:
1. Runs Allowed
 2. Run Differential
 3. Coin Toss

Once one team is eliminated from the tie-breaker, we will go back to head to head.

Fee: Shared Expenses

Game Balls: Each team will provide four game balls for each game played.

Game Locations: See the Schedule. Some game locations will be determined after each round to allow for the host schools to play on their home field. This will allow those teams to take care of their facilities in the case of inclement weather. Troy Buchanan, Francis Howell, Zumwalt West, and Timberland will be the host sites after the 1st round.

Updates: The bracket will be updated after the final game each night and can be found on Twitter (@TBHSTrojans). Fans will also be able to keep up with postponements and cancellations on Twitter.
