Completed MSHSAA packets for athletic physicals, can be turned in for next school year, (2018- 2019) now. The due date to get completed packets (4 pages) to the nurse is July 1, 2018. For the safety of our students/athletes, packets that are incomplete or packets that are turned in after July 1 will have a 48 hour processing delay. In order for a student to participate in tryouts on August 6, athletic physicals must be received no later than August 2 at 3:00 pm. If a packet is turned in on August 6, the soonest the student will be able to participate is August 8.

Please note physicals are no longer being done online. Please submit paper or faxed copies of physicals.
